

THE WAY FORWARD—Paralegal—The next Service Level.

Having completed Four and a Half Months of continuous Study in Law, doing 3 Modules, as part of my quest to obtain a London University LLB Degree, which may carry up to 9 Modules, my comments below are made with the intention to make this valuable training opportunity available to as many persons as possible, utilizing the competence of London University Lecturers and the efficient methodology utilized by Coursera Inc., led by the Computer Science Professor Andrew Yang-Tak Ng.

These three Study Modules, each of 6 Week duration were:-

1. **Magna Carta and Its legacies: Freedom and Protest. (Pass Grade 81.53%).**
2. **Citizenship and the Rule of law. (Pass Grade 81.53%).**
3. **An Introduction to the Rule of Law.(Pass Grade 92.20%).**

We may not be able to produce the quantity of Lawyers required to adequately provide efficient service to the mass of persons, without Access To Justice, but we can definitely produce enough Para Legal Service Providers, equipped with enough knowledge of Law, by Certification with London University and Coursera Inc. ,to do a magnificent job worldwide, providing guidance for ACCESS TO JUSTICE.

The hinderance to get ACCESS TO JUSTICE, has been identified as:

1. The complexity of the Law and the language of Law aka. Legalese.
2. The jealous guarding of the knowledge of the Law by Lawyers.
3. The high cost to gain the service of Lawyers.
4. The tremendous backlog of cases in Courts.

Consequently, these just completed three powerful learning opportunities with London University and Coursera Inc. in the last 18 Weeks, demands wide sharing (Certificates attached for ease of reference).

- **PRICELESS FREE EDUCATION WITH A SMALL COST OF THE PRICE OF A CERTIFICATE.**

If that London/Coursera service combination can develop a PROGRAM delivering all the Modules of the LLB Law with Certificates in each module, a wide section of learners worldwide can become PARALEGAL SERVICE PROVIDERS, without the huge expense the Degree requires.

Access to Shared Knowledge, Commitment to Learn, Desire to Help Others, Ability to Complete Available Training are vital ingredients for Creating Sustainable Nations. Degrees are Lagniappe.

Proposals should be made so that a full Complement of Certificates can produce a Diploma In Law and allow for further study in their respective Countries to obtain Legal Education Certificates to practice formally as Para Legals. Legislation a minor formality.

THIS WILL NOT ONLY REDUCE THE DEFICIT OF PEOPLE WORLDWIDE WITHOUT ACCESS TO JUSTICE, 5.1M AS PER THE WORLD JUSTICE PROJECT REPORT ([MEASURING THE JUSTICE GAP](#)) BUT ALLOW THOSE NOW HAVING A COMPREHENSIVE KNOWLEDGE OF LAW TO REACH OUT AND SHARE TO AS MANY AS POSSIBLE, WITHOUT THE HUGE COST OF ATTORNEYS AT LAW.

I will positively testify about the quality of training provided by London University and Coursera, which guarantees.

- NO FACE-TO-FACE SCHOOL TRAINING, A HUGE CHALLENGE TODAY AND MUCH BETTER THAN TRADITIONAL SYSTEM.
- IT IS IN THE SAFE ONLINE ENVIRONMENT,
- WELL PLANNED BY LONDON UNIVERSITY LECTURERS,
- USING A METHODOLOGY DEVELOPED BY A COMPUTER SCIENCE PROFESSOR,
- YOU CAN STUDY FOR AS LONG AS YOU ARE ABLE TO,
- HAVE ALL THE CONVENIENCE OF HOME AT YOUR FINGERTIPS,
- TRANSPORTATION AND BOARDING COST ELIMINATED AND
- COMPLETE PRIVACY TO FOCUS ON THE ADDITIONAL RESEARCH NEEDED.

A Blessing from God in my humble view, 8 opportunities in one Spiritual effort.

I AM NOW PLANNING A PROJECT TO INTEREST THIS LONDON/COURSERA COMBINATION WHICH WILL BE WIN WIN.
